COMPANY VISION & MISSION

CORE VALUES OF LAM THUAN PHAT

We believe that it's not just coffee, but the dedication of Buon Ma Thuot farmers and the essence of nature. That's why Lam Thuan Phat is committed to working closely with local farmers to produce sustainable coffee, delivering the highest quality to customers worldwide. We uphold "Trust" as our top priority, conducting business with integrity, respecting nature, and always standing by our farmers to grow and prosper together.

OUR MISSION

We collaborate with over 400 farming households, cultivating a sustainable raw material area spanning 700 hectares to ensure exceptional coffee quality. With cutting-edge technology and rigorous processing standards, we deliver Vietnamese excellence, conquering international markets. Beyond business, we take the lead in environmental protection, improving farmers' livelihoods, and fostering a green economy.

OUR VISION

LAM THUAN PHAT MANUFACTURING & TRADING CO., LTD. strives to become a leading producer and supplier of premium coffee, elevating the value of Vietnamese agricultural products on the global stage. We are committed to building a sustainable value chain, where farmers, businesses, and communities thrive together. Through innovation and uncompromising quality, we do not merely produce coffee—we shape the sustainable future of Vietnam's coffee industry.
